## The Spirit is moving all over the Church

Millions of Catholics around the world are experiencing a new outpouring of the Holy Spirit. They are discovering all the gifts and graces of their Baptism and Confirmation as they are baptised in the Holy Spirit.

It was Pope Leo XIII who asked that prayer for an outpouring of the Holy Spirit upon the Church be prayed throughout the world on the first day of the twentieth century.

On 25.12.61 Pope John XXIII formally convoked Vatican Council II to meet the following year. He prayed, "*Renew your wonders in our time, as though for a new Pentecost.*"

Pope Paul VI "the miracle of Pentecost should continue in history" .....How then could this 'spiritual renewal' not be 'a chance' for the Church and for the world? (May 19, 1975)

"The Lord wishes to make the Church richer, more animated and more capable of defining herself, of documenting herself, and this is precisely called "the effusion of Charisms."

Today much is said about it. Having taken into account the complexity and delicateness of the subject, we cannot but desire that these gifts come - and may God grant it - with abundance. Besides grace, let God's Church also be able to obtain and possess the Charisms." (October 10, 1974)

Pope Paul described the movement for renewal in the Spirit as "a chance for the Church and for the world," and the six years since that conference have borne out the hope that inspired his vision." Pope John Paul II, 7 May 1981

This is an invitation for You! Don't let this opportunity pass you by.

## "Come and See!"

"Today, I would like to cry out to all of you gathered here in St Peter's Square and to all Christians: Open yourselves docilely to the gifts of the Spirit! Accept gratefully and obediently the charisms which the Spirit never ceases to bestow on us! Do not forget that every charism is given for the common good, that is, for the benefit of the whole Church."
